

Do you have an improvement project that gave you great results?

SHARE YOUR STORY AT THE CONFERENCE!

Two Great Opportunities to Share Your Project, and Compete for Recognition...

STORYBOARD COMPETITION

The Sterling Storyboard competition captures your project's improvement process on a single storyboard. It includes Project Selection, Root Cause Analysis, Solution Development, and Implementation and Impact.

TEAM SHOWCASE COMPETITION

The Team Showcase Competition is the ultimate team recognition and competition where your team presents your improvement project live-on stage in front of the conference attendees! Projects will be scored against criteria for Project Selection, Problem Statement, Root Cause analysis, Final Solution, Project Implementation, Results and Presentation.
